### PTA

As you all know, our PTA are amazing at organising events to help subsidise opportunities for your children. There is a full year of events planned and we will need your help for them to run successfully! We will write out with information of each event and hope to see you there!

### HISTORIAN DAY

Mrs Slonecki would LOVE a history timeline in school to support the children's understanding of chronology. She has grand ideas however, she has expensive taste! To help raise some funds towards this, we are going to ask the children to dress up as a historical figure they can talk about, on Friday 27th September. On this day, the children will be encouraged to share some information about this person and why they have chosen them. We are then asking for a donation of your choice towards the timeline. Thank you in advance.

### CLUBS

Following feedback from parents, we have decided to tweak the booking system for clubs. You will still book through the Gateway App. However, this will not mean your child automatically gets a place.

Feedback suggested that the 'Frist come, First served' system was unfair on those parnets whose work would not allow them to check phones and then be quick to book thier child on. You will be contacted a few days before the club starts to confirm whether your child has a place or not.

We will be finalising which clubs are offered this week... watch this space!

### DATES

We are working through the year's diary dates and will send you a full year of school's events next week.
