Please help us by making suggested improvements that you feel would benefit our school:

- Support in KS1 music
- School is perfect
- More availability for school clubs
- More language options, my child would like to do Spanish
- Have more fun learning/teaching for kids to get them interested in less favorable topics
- More communication for what support is given to children who are working towards
- SEND provision for higher ages, Key Stage 2
- Forest school for each year group
- Can be confusing with all the different APPS/emails it would be helpful if there were less communication methods and everything in one place
- No concerns to raise, very happy
- Happy with everything
- Hard copies of letter
- More opportunities for parents to come into school to observe
- The children could be encouraged to change their reading books more frequently
- Red pens instead of black ones to save jumpers
- Maybe a curriculum map for each year group at the beginning of the year
- I feel that more could be done to support my child's wider personal development
- For children to be looked at as individuals not one approach fits all (all of the time instead of most of the time)
- Car park
- More communication
- More spaces on clubs or repeat of clubs for children who didn't get a chance
- Regular/monthly update on the curriculum
- Sports after school clubs
- Communication is confusing through all the different channels, it's hard to find the letter or message on the different APPS
- Regular notifications about how child can improve or what they can work on at home
- Producing the newsletter more frequently would be good
- Hard copies of letters
- Forest school seems to have stopped and my child loved this
- More updates about how my child is doing throughout the year, parents evening isn't enough to advice and help my child
- They should sit with their friends at lunch
- Possibly more homework and more difficult homework
