Attendance & Punctuality

Good attendance and punctuality is important for ensuring that children can achieve their very best. It's very important that your child attends school regularly and on time in order to ensure that they can maximise their learning potential. Remember children can come into school with colds, there are only a few illnesses where children are not allowed to come into school.

Every Minute Counts

If you arrive late to school everyday your learning begins to suffer. Below is a graph showing how being late to school everyday over a school year adds up to lost learning time.

PTA

Our Sleepover was huge success again this year. Thank you to Cineworld for donating the popcorn, the parents for helping out and for donating the breakfast cereal and the staff for giving up their Friday night so that the children could have this experience. We also need to say a BIG well done to Annabel in YR who raised a very impressive £70 sponsorship for this event! All money raised at PTA events goes back to the children to enhance their learning experience. This half term the children have again been able to work with a specialist drama teacher and specialist music teachers, thanks to the money raised at PTA events.

Congratulations to....

Oscar & Evelyn (YR), Henry & Evie-Mae (Y1), Sophie & Harriet (Y2), Heidi & Erynn (Y3), Emily & Bobby (Y4), Oliver & Adam Le (Y5), William & Matthew (Y6).

For their excellent work this half term, keep up the hard work!

Playground Markings

We would like to say a special thank you to Mrs Snell for entering and winning a playground competition. This has enabled us to have a much needed update on our playground markings. Not only have old lines been redone but new activities have been drawn out for the children to enjoy at playtimes. Thank you Mrs Snell!

Year 2

Thank you to all of the family members that attended our Year 2 assembly. The children impressed us with their robot dancing and descriptive writing. It was lovely to see all of the children growing in confidence as they spoke clearly and performed with confidence. Well done Year 2!

Details on how to vote will be sent out next half term.

Volunteers

Calling all parents or grandparents. Do you have a morning or an afternoon to spare each week or each fortnight? If you do and would like to help out in school please let us know. Don't worry you don't need to have a particular skill, we are always looking for help with different activities such as cooking, reading with the children or supporting the younger children to access their areas of learning. As part of our Safeguarding processes, we would need to complete a DBS for you this is just a form that enables us to check that you are safe to work with children.
