Please help us by making suggested improvements that you feel would benefit our school:

- Time of PTA meetings
- My child would benefit from writing classes to make their writing neater
- Rent the school field for clubs to use to generate extra income
- More notice for events (reminders)
- After school clubs for KS1
- Transition for SEND children could be improved
- Re-think pen licenses
- Lego club was cancelled at lot which was disappointing for my child - organization of clubs could be improved
- Aligning structure across year groups for homework/spelling this would give parents a structure to work to as juggling it becomes difficult
- Communication home - too many platforms and then messages get lost or we can't find them when we need them
- Term time curriculum ideas to be sent at the start of the term
- Later meetings will benefit me being able to attend e.g. PTA
- After school clubs to support school work e.g. maths and english
