

Music at Beechwood Primary School

By the end of studying Music at Beechwood Primary School, children will have had the opportunity to develop a mastery knowledge and an enjoyment of music. Children will be able to talk about and share their musical knowledge in the following strands:

- **Singing** (how to sing expressively and in unison following a conductor)
- **Listening** (recognise different musical styles and elements such as tempo and staccato)
- **Composing** (playing instruments, notation, improvising and composing)
- **Performing** (create, rehearse, and evaluate performances)
- **Musicianship** (using body percussion, instruments, and voices)

All music end points will be covered using specialist music schemes: Charanga - Original Curriculum (EYFS), Charanga Model Music Curriculum (Year 1,2 and 3) and Puzzle Pieces through Accent Music Education Hub (Year 4, 5 and 6).

Play a melody following staff notation written on one staff and using notes within an octave range (do–do); make decisions about dynamic range, including very loud (fortissimo), very quiet (pianissimo), moderately loud (mezzo forte) and moderately quiet (mezzo piano). Play this melody on available tuned percussion and/or orchestral instruments. Notate this melody. Either of these melodies can be enhanced with rhythmic or simple chordal accompaniment. Create a simple chord progression. Compose a ternary (ABA form) piece; use available music software/apps to create and record it, discussing how musical contrasts are achieved. Create music in response to music and video stimulus. Use music technology, if available, to capture, change and combine sounds. Start to use structures within compositions, eg introduction, multiple verse and chorus sections, AB form or ABA form (ternary form). Use simple dynamics. Use rhythmic variety. Compose song accompaniments, perhaps using basic chords. Use a wider range of dynamics, including fortissimo (very loud), pianissimo (very quiet), mezzo forte (moderately loud) and mezzo piano (moderately quiet). Use full scales in different keys. Create a melody using crotchets, quavers and minims, and perhaps semibreves and semiquavers, and all equivalent rests. Use a pentatonic and a full scale. In addition to the above, this will be further enriched through assemblies, school and community performances and the use of music in class. Pupils will be given the opportunities to master various musical instruments throughout their school career and from Year 4 upwards, children identified as gifted and talented on an instrument will be offered the opportunity to have small group tuition and access to grade exams where appropriate. Children will also be signposted to extra-curricular music activities and organisations such as Runcorn Rising Stars.
